Thank you

It is so good to be visiting centres that have a focus and who help drive forward in our ambitious goals. But the work we should be doing about the continuing and need for valued support of our volunteers and funders.

I am inspired by the dedication of these supporters who give their time and money to support Maggie's so generously. I would like to say a heartfelt thank you to those who have helped to make 2017 an extraordinary year for Maggie's.
